Dear Senior Pet Owner,

Good health is essential for a healthy, happy, long life. Unfortunately, just as we can see in ourselves, animals are more likely to develop health problems as they get older. Their health problems related to advancing years are similar to our own, including:

- Heart disease
- Liver disease
- Kidney disease
- Dental problems
- Digestive disorders
- Cancer

To address these 'senior' health issues, the American Veterinary Medical Association and Hardaway Veterinary Hospital recommends that any dog or cat over the age of 8 be provided a set of diagnostic tests, commonly known as a "senior wellness profile". The senior wellness profile for your pet includes:

'Basic' Senior Profile

Dogs (Retail value \$268, **Package Price \$261**)

Cats (Retail value \$320, **Package Price \$272**)

- 🐾 Complete physical exam
- 🐾 White Blood Cell Analysis
- 🐾 Red Blood Cell Analysis
- 🐾 Blood Profile (evaluates major organs)
- 🐾 Urinalysis
- 🐾 Thyroid Screening
- 🐾 Senior cat packages include customized feline bloodwork

'Silver' Senior Profile

Dogs (Retail value \$642, **Package Price \$546**)

- 🐾 All of Basic Profile **plus** four radiographs of chest and abdomen

Cats (Retail Value \$610, **Package Price \$515**)

- 🐾 All of Basic Profile **plus** two radiographs of chest and abdomen.

'Gold' Senior Profile

Dogs (Retail value \$845, **Package Price \$699**)

- 🐾 All of Silver Profile **plus** Electrocardiogram (ECG) evaluation and Ultrasound.

Cats (Retail value \$813, **Package Price \$620**)

- 🐾 All of Silver Profile **plus** Electrocardiogram (ECG) evaluation and Ultrasound.

A urine test will be done as part of the package. Therefore we ask that you attempt to provide us with a fresh urine sample at the time of your appointment, or to keep your pet from urinating shortly before their visit to expedite lab result and reduce your pet's stress during his/her visit.

Your pet's health is our primary concern. Please call us now at 388-8387 to take advantage of this special pricing and schedule a senior wellness profile for your pet.

By sharing life and love with you, your pet has given you a precious gift. Now that your pet is considered a "senior citizen," you have the opportunity to give something in return—the special care that makes the "golden years" happy and healthy.

Sincerely,

The Doctors and Health Care Team at Hardaway Veterinary Hospital
